

December / January Competition Winner

For our December / January competition
we made it easy enter.

All you needed to do was bring your
appointment slip along to your appointment
and put it
into our competition box.

Our box was overflowing with entries.
Which means many of our patients went to
a lot of effort to remember to bring along
their appointment slip.

Good Job!

A big thank you to all the entered!
We drew an entry at random and the lucky
winner was **Georgia T.**

Georgia has won herself 15 Barber Bucks.
Congratulations!!
