

OCTOBER COMPETITION WINNER

We would like to thank all our patients for their entries and ideas in last month's competition. We asked you to create some new Limited Edition Colours.

We can't wait to create some new colours and themes so keep your eyes peeled for the new braces colour creations.

It definitely was not an easy job picking a winner, but we do have one - Alex B.

Congratulations Alex!
Alex has won herself a \$20 iTunes voucher.

Alex gave us a great idea to theme Summer Style Colours... We will create Alex's colours and have them as Limited Edition colours as soon as possible.
